Don't read food & wine magazines **491,000**

Don't read men's lifestyle magazines **623,000**

“We know that not only do the customers we have, but the customers we want to have, treat these magazines as more than just an “insert”. They read them, they keep them, they like being seen reading them and having them in their homes. All that plus they give us enough space and quality reproduction to make a decent image. Should I ask for more?”

Andrew Caie, National Marketing Communications Manager,
Lexus Australia

Source: Roy Morgan Mar 10, CAB Jan - Mar 10. Fashion magazines = marie claire, Harper's Bazaar, Vogue, InStyle, Madison and Grazia.
