Measurements are given in millimetres and are as height x width.

All Live Copy must be kept within this type area; this includes all text, image, keylines and keycodes.
 Type Area Only specs on broken space ads are designed to sit within the Type area of the whole page. Broken Space ads that bleed are designed to centre the type area within the ad space.
 Do not use fine borders around the edge of a bleed advert. We cannot guarantee the absolute accuracy of trimming due to the nature of web offset printing processes.
